

Jehovanie RAMANDRIJOEL

Full stack developer, +3ans xp

Profile

I am a skilled web developer with over three years of experience in full-stack development. My expertise spans a wide range of technologies, including PHP, JavaScript/TypeScript, and their related frameworks. I specialize in designing, developing, and optimizing web applications, with a strong focus on scalability, performance, and system security. Naturally curious and a quick learner, I am always eager to explore new technologies and enhance my skills.
