

Jehovanie RAMANDRIJOEL

Web & Mobile Developer with 3+ years of experience

PROFESSIONAL PROFILE

Full-stack web & mobile developer with over 3 years of experience, specialized in PHP, JavaScript, and TypeScript, with expertise in the Symfony, React, and Angular frameworks. Strong command of both relational and non-relational databases. Passionate about design systems and web service architecture, I design high-performance, scalable, and secure applications. Proactive, autonomous, and comfortable in agile environments, I am fully committed to delivering quality solutions.
